DETAILED ACTION

The examiner has considered the Information Disclosure Statement submitted by the applicant on 4/27/2006 and 10/18/2007.

Claims 1-5 are pending on this application.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-5 are rejected under 35 U.S.C. 102(b) as being anticipated by Dunlap (US 2002/0068632). Dunlap teaches an online game system where player play using a game card having following limitations:

Regarding claims **1 and 4**, Dunlap teaches an online game system with the user card encoded user password and information (para 0066);

Over the network the encoded password and user information is verified by the server (para 0066);

Upon authenticating the card the player character's value is determined in corresponds with the player account (para 0067);

Upon the verification of the user card information, the player character is downloaded on the player terminal to play game (para 0067);

Once the player character is generated, the character is displayed on the player's terminal and controlled by the player as the game approaches corresponding the player's character strength and lives (para 0070 and 0071);

Player character points are updated by the server as the player character's progresses through the game to achieve higher levels of the game (para 0073, 0074).

Regarding claim 2, Dunlap teaches user's item or character is downloaded from the server to the player terminal (para 0067);

Player characters are created or customized by the player also can be used to play games (para 0078, 0069).

Regarding claims 3 and 5, Dunlap teaches the player character's data to be downloaded along with the player character from the server only once (para 0067);

Character strength and lives of the player character is predetermined and can not be manipulated by the player (para 0073 0074).
